CITY SPRINGS SOUTH PARKING LOT

LEADERSHIP SANDY SPRINGS COMMUNITY-WIDE RECYCLING FUNDRAISER

VISION: Inspiring and empowering leaders in our region to be catalysts for collaborative, transformational progress.

MISSION: We develop, educate, and connect leaders through community engagement, innovative programming, and volunteer opportunities to enrich a vibrant Sandy Springs and Central Perimeter area.

EPA-COMPLIANT RECYCLING | IT ASSET DISPOSITION | DATA DESTRUCTION

DATA SECURITY: eWaste ePlanet's data destruction services are guaranteed to irreversibly destroy all data information on decommissioned electronics*. No need to wipe prior.

- **9/12-MINIMUM DONATION OF \$15/CAR AT ENTRANCE (PLEASE CONSIDER MORE)** Social distancing observed-pull to electronics recycling area, and pop trunk for volunteers wearing masks and gloves to unload.
- **SECURE PICKUP/COD OPTION MINIMUM DONATION of \$50 (COD-Certificate of Data Destruction, List of Assets And EPA-Compliant Recycling)** 10+ non-end-of-life computers, servers, hard drives, etc. Details below.
- **SEE PAGE 2** for complete list of accepted items, data destruction, compliance & standards
- ****Items incurring a charge for proper disposal, weighed onsite, pay cash, check, or credit card**

QUESTIONS &/OR CORPORATE SCHEDULING

ANDREA BURROUGHS | ANDREA@EWASTEPLANET.COM | 404-663-5755

- **Provide:** Name, email/phone#, address, basic list overview
- **OR** Company, email/phone#, address/suite #, basic list overview
- **Request Excel form.** Specify if CODs are required.

SPONSORS

| Tighten your data security while regaining valuable space! |

Environmentally responsible and data secure electronics recycling sponsored by Leadership Sandy Springs and eWaste ePlanet, our community electronics recycling data destruction & asset disposition partner

ACCEPTED ITEMS

Electronics containing data wiped to NIST 800-88 standards. No need to wipe prior.

- Laptops/Desktops/Servers*
- Hard Drives (HDDs, SD, SSD)*
- IT Equipment/RAMS/CPUs*
- Business Phones & Systems*
- Cell Phones & Tablets*
- Circuit Boards / Cards*
- Power Distribution Units
- Networking Equipment
- Peripherals & Projectors
- Printers/Copiers/Scanners
- Ink/Toner Cartridges
- Cables & Cords
- TVs & Monitors (Flat)
- Lab & Medical Equipment
- Point of Sale Systems
- Small Electronics
- (Microwaves, DVD Players, etc.)

CANNOT ACCEPT

Light bulbs, hazardous materials, radioactive waste, materials containing liquids

CHARGE INCURRED

****Scale onsite – accept cash, check, or credit card**

- CRTs—40 cents/pound
- TVs—25 cents/pound
- Printers—25 cents/pound
- Alkaline batteries—\$1.00/pound

Local. Sustainable. Secure.

eWaste ePlanet services the majority of Atlanta's Grade A commercial high-rises, & >2K Federal, state and local agencies and municipalities, Fortune 500, & national, regional & local businesses.

Corporate questions regarding Information technology asset disposition-ITAD, CODs-certification of data destruction and electronics recycling services to benefit **LEADERSHIP SANDY SPRINGS**, contact:

Information Technology Asset Disposition (ITAD) is eWaste ePlanet 's core business. Providing full-service, turn-key IT asset management & disposition on-site packing/pick-up | data destruction | customized reporting | electronics recycling

Zero [0] landfill | 100% data security | Since our founding in 2013, diverted more than 10 million pounds of from landfills.

ITEMS WE ACCEPT

In order to offset proper recycling costs, we charge \$0.25/lb for flat screen TVs, \$0.40/lb for CRT TVs and monitors, \$0.25/lb for printers, and Alkaline Batteries (\$1/lb disposal fee). Our drop-off hours are 8am-3pm, Monday-Friday, at 2775 Bankers Industrial Drive Suite E, Atlanta, GA, 30360.

Computers & Accessories: Computers (desktops/laptops), Computer Power Supplies, Computer Peripherals, Storage Devices (HDDs, SSDs, SD cards, etc.), Gaming Devices, Circuit Boards & Cards, Monitors (CRT = \$0.40/lb disposal fee), Computer Accessories (mice, keyboards, etc.), Monitors (flatscreen), Network Devices, Scanners, Printers (ink jet printers = .25/lb), plus ink, toner, and cartridges

Data Center Equipment: Servers, Power Distribution Units, Network Related Equipment, Storage Arrays, Routers and Switches, Power Distribution Units, Panelboard, Server Racks, Switchgear, Motor Generator Sets, Mainframe Computer Equipment, Cabling

Office Equipment: Copiers and Multifunction Devices, Fax Machines, Audio/Video Equipment, Projection Equipment, Printers (printers = .25/lb), Plotters, Security Equipment, Receivers and Transmitters, Phone Systems, Answering Machines

Mobile Devices: Cell Phones and Smart Phones, Tablets, PDAs, MP3 Players, Cameras, Fitness Trackers, Smart Watches

Entertainment Equipment: Stereo Equipment, Speakers, Accessories and Cables, Video Players, Digital Cameras, TVs (flatscreen = \$0.25/lb, CRT or picture tube = \$0.40/lb disposal fee), Video Cameras, Game Consoles, Pro Audio Equipment

Lab & Medical Equipment: Ultrasound Equipment, Spectrometers, Anesthesia Units, Defibrillators, X-Ray Machines, IV Pumps

Miscellaneous: Wires & Cables, GPS Units, Alkaline Batteries (\$1/lb disposal fee), Rechargeable Dry Cell Batteries, Cable Boxes, UPS Power Supply, Home Appliances, Laptop Batteries, and more...

CANNOT ACCEPT: Light bulbs, hazardous materials, radioactive waste, materials containing liquids

IMPACT: While decommissioned electronics & e-waste only account for roughly 2% of the trash in America, comprise 70% of the toxic waste we produce | only 12.5% of our e-waste is recycled | only 25% of electronics' data is destroyed

FAQ: DATA DESTRUCTION, COMPLIANCE & STANDARDS

- eWaste ePlanet services >2,000 Federal agencies, and Fortune 500, national, regional, and local companies, including, as an example, major Atlanta professional firms.
- Partners with commercial property management companies providing an ECO-amenity to the majority of Atlanta's Grade A commercial high-rises and the tenants.
- Is locally owned and operated; our staff are professionally trained specialists with 100+ years of combined experience in the fields of technology, recycling, data destruction, logistics, material science, asset management and e-waste disposal.
- eWaste ePlanet's data destruction services are guaranteed to irreversibly destroy all data information on decommissioned electronics.
- Adhere to the U.S. Department of Commerce's National Institute of Standards and Technology (NIST) Computer Security Division's Special Publication 800-88 Rev.1: Guidelines for Media Sanitization.
- Compliance methods meet and/or exceed the standards of the Department of Toxic Substance Control, the Environmental Protection Agency, and the California Integrated Waste Management Board, among others.
- Once data is destroyed, we provide an itemized COD-Certificate of Data Destruction for your records. If you require a full audit of your devices and hard drives, we also offer serialized reporting.
- CODs include list, quantity and weight of assets recycled for use by departments including IT, facilities, finance, sustainability, etc.
- eWaste ePlanet separates end-of-life electronics into 200+ categories of scrap based on plastic and precious metal contents. For outgoing processing, we utilize R2 downstream vendors based on logistics and pricing.
- Since 2013, maintain a 99% rate of client retention. We make electronics recycling easy, efficient, and, mostly, free.
